How 100 per cent renewable energy might work in the UK

Video of lecture by Emeritus Professor **Keith Barnham** including graphical representation of how a 100% renewable energy system could work – Lecture originally done for Extinction Rebellion which did not take place after police intervention. See : https://www.youtube.com/watch?v=hu4_W5jrmP4

Collection of International Studies on 100 per cent renewable energy

Abstracts of 47 Peer-Reviewed Published Journal Articles From 13 Independent Research Groups With 91 Different Authors Supporting the Result That Energy for Electricity, Transportation, Building Heating/Cooling, and/or Industry can be Supplied Reliably with 100% or Near-100% Renewable Energy at Difference Locations Worldwide
